[ 想定する空間 ] Kids Room

[ デザインコンセプト ] When I was a kid,I drew randomly on the wall,instead of being angry on me, my dad took a photo and keep it.For some parents,kid's drawing is a form of art. What if a wallpaper not only enhances room's atmosphere but also records good memories and connects people together?  
Kurikuri Omeme is the wallpaper designed for kids and parents to having good time together.Kids are full of imagination,they can enjoy connecting the dots and create creature as they see.And the wall can be transformed to a piece of artwork filled with family's memories.
